Your (homeowner real estate document package) and your Declaration of Homestead will be sent to you in about 25 working days. Your package will include your blank ready to use Grant Deed, and Quitclaim Deed, and a fully prepared Declaration of Homestead. This is not a Bill, and a Declaration of Homestead is not required, it is only there for your protection if you choose to have one.

If more than one person "other than husband and wife as joint owners" is filing to homestead the same property, an additional \$20.00 is due for each separate owner. You may file to Homestead your interest in said property without your co-owners. Title Document Source will prepare your declaration based on the information supplied by you. For faster service return this form and the enclosed copy of Grant Deed.
